Please keep in mind that you may need **Snowchains** to reach the track by car.

Parking is allowed on site during the Trainings and on Saturday, athletes will have a parking spot nearby on Sunday.

## COVID-19 Actions

- The event takes place under the 2.5G rule (Vaccinated, recovered or PCR tested (72 hours)).
  - Only athletes and their staff are allowed on site.
  - All athlete matter will be handled via the national associations.
- You will be assigned to a group by your association. Avoid contact with other groups.
- There will be mandatory on-site tests every day in ADDITION to the 2.5G rule
  - Access to the track is strictly controlled  
FFP2 mask duty, 2 meters of distance and focus on hygiene
  - No skate-sharpening or locker rooms on-site

## Changing Rooms & Skate Sharpening

As of now there will be no changing rooms on site.

There will be a room to put on skates and parts of the gear.

Please come as much in gear as you can!

We will not have skate sharpening on site.

## Accommodation and Travel

The ATSX 250 is classified as an essential international sport event. This means that the booking of accommodations and the travel to Austria without quarantine is possible!

- Find all information about the travel restrictions here:  
[https://www.oesterreich.gv.at/en/themen/coronavirus\\_in\\_oesterreich/pre-travel-clearance.html](https://www.oesterreich.gv.at/en/themen/coronavirus_in_oesterreich/pre-travel-clearance.html)
- Your national association will receive a confirmation of participation for you that you need to travel and for your accommodation
- The booking of accommodations will be coordinated by the national associations. DO NOT BOOK ANYTHING BY YOURSELF.
- Details about your travel route and if you are travelling with other athletes need to be communicated to the national federation.  
Please contact your national federations about details of traveling back from Austria.

## National Federations / Clubs

*The national federations are coordinating the steps to enable the athletes to compete at the event in Judenburg.*

*Please keep in mind that most of the federations are small and may need some time to answer your emails.*

## Training on site

There is the possibility to train at the track in Judenburg before the event.

As of right now it is only possible for national federations and clubs to rent the track. Please get in touch with your national federation/club if you are interested in a training.

## Race Schedule

*Due to Covid-19 restrictions and local weather changes the schedule may change. Please keep yourself up to date.*

Saturday, Jan. 15th

08:30 – 10:30 Training (2 runs per rider)

12:00 – 14:00 Time Trials

15:30 – 17:00 Team Event

17:30 – 19:00 Open Training (Artificial Lighting)

Sunday, Jan. 16th

09:00 – 10:00 Juniors

10:00 – 11:00 Last Chance Qualifier

12:00 – 14:30 Finals

## Team Competition

*The team competition is not part of the official race from ATSX and will be hosted and regulated by the OESCV.*

Teams from 3 to 4 riders will be created after the time trials.

Every rider signed up for the team competition will be assigned to a team in the team competition.

The teams will be created based on the time trial results, like traditional heats.

We are currently working on a full set of rules in addition to the basic ATSX race rules.

Please check out our website for more detailed information!
